Vimy sewer project— first of its kind in Alberta

By Darlene Provençal

By careful study and planning, the people of Vimy have provided themselves with a sewer system that is the very first of its kind operating at present in Alberta.

Taking their first major step in April of 1973, the very concerned people of the hamlet of Vimy formed a delegation to approach council of the MD of Westlock on the feasibility of a sewer system in Vimy. Council had a sympathetic ear to the sanitary problems and health hazards caused by uncontrolled septic tank sewage dispersal, however, they felt at the time that the Municipal District could not take the burden of such a high cost.

They did encourage the delegation, though, to proceed and they would help in any other way they could. A committee of interested citizens then approached Mr. Ken McAmmond, senior health inspector for the Sturgeon Health Unit, along with MLA Mr. Ernie Jamison, for some help and support of the project.

A conventional gravity flow system was financially unattainable. However, Ken McAmmond knew of a modified system operating in Saskatchewan at a price Vimy could afford. Through his contacts, Mr. McAmmond arranged for a dele-

gation to view this plastic pipe system in Marshall, Sask., where existing septic tanks and pumps are used to pump the liquid effluent to a lagoon. The delegation formed from this area consisted

of Mr. Ken McAmmond, Glynn Williams, and Peter Lee, of the public health units, Mr. Samuels from the Dept. of Environment, Mr. Robert McLaughlin, reeve of

ROCH AND RACHEL Regimbald working at lagoon construction near Vimy.

Subdivision development stalled

A 460 acre subdivision development one and a half miles west of the Fort Saskatchewan River in the Sturgeon River Valley has been refused temporarily by the MD of Sturgeon.

The residential development proposed by Belvedere Developments Ltd. could provide homes for up to 350 people and has been designed for a "ranch" style of country living.

MD council has quashed the development for the moment until there is access to the area from the southeast corner of the property. The MD is also waiting till the North West radial route has been resolved in conjunction with the Department of Highways. This is in line with an

earlier decision made by the MD. There is a paved secondary highway to within two miles of the south boundary of the three-quarter sections slated for development. Then access from this point is by gravel road.

Council are also stalling on the project because of cul-de-sacs in the development and feels that these should be eliminated.

The area which will come under development is well wooded but the developers have made it clear that there will be minimum destruction to tree cover.

One major feature of the development will be a stable area, a barn and corral system for horses as well as trails.

noisy parties mar holiday quiet in St. Albert

RCMP, on another matter remind the public that the St. Albert detachment is holding a lot of lost property like bicycles, clothing, keys, money and eyeglasses. They urge the owners to drop in and pick the lost goods up. "We can't pick it up and take it with us the policy."

While the MD met with the representative of TBG

Please turn to page 2.

RCMP reported a quiet long holiday weekend for St. Albert August 1 - 4.

However a spokesman for the detachment pointed out that they had received a lot of complaints from townspeople about noisy parties going on over the long weekend. Also there were a few pranksters about letting air out of car tires and upsetting garbage cans RCMP said.

THIS TRUCK TOOK A turn for the worst last Friday afternoon causing quite a stir among the onlookers. At the time of going to press the RCMP were unable to furnish details of damage or injuries to the driver.

Slow down in gravel operations looks likely in MD of Sturgeon

Gravel operations in the MD of Sturgeon could be curtailed if operators do not substantially upgrade gravel hauling roads.

And future operations

could be delayed or halted by regulations to the MD's general plan and opposition to gravel operations by local residents.

This came out of a

discussion at a regular development meeting of the MD last week before they met a representative from TBG Contracting. That company is presently negotiating with the MD for a permit to take out and haul gravel from workings at SW 16 54 26 west of Fort Saskatchewan.

The MD's new development policy requires that developers in the gravel business improve roads to the satisfaction of the MD, in one specific case a mile of road which would be shared between TBG and Alberta Concrete Ltd.

TBG could get out of the problem by putting in a rail spur but a spokesman for the firm said they would be willing to bend to the MD's policy that roads are maintained by the developer at his expense.

The MD has already given

a 30 day extension to a road used by Albert Concrete and then they will insist on substantial upgrading.

The MD is expected to discuss this problem with that firm August 8.

If TBG gets the go ahead from the MD for its proposed gravel operations they could take out up to 2½ million tons of the resource with gradual restoration of the land over five years.

Holes have already been drilled at the site indicating high gravel content suitable for concrete or asphalt material as well as road gravel.

The only reservation that TBG expressed to the new development policy was that "we can't pick it up and take it with us the policy."

Rec. complex gets the axe

A proposed recreation complex three miles north of Bon Accord (SW 6-57-23-W4) will not see the light of day following a recommendation for its refusal at the regular development meeting of the MD of Sturgeon, July 30.

The applicants had originally wanted the land classified as country residential and now want permission to use the land for camping, swimming, skating and horseback riding for year round use.

The development would have a central lodge with power and garbage facilities and there would be one over one hundred ownership for 100 families with a maximum of four months occupancy.

The MD recommended the refusal because it was felt that such a development would make for school requirements. There was also the fear that there would be an influx of mobile homes into the area - which at the moment is totally under bush.

gravel operations

Continued from page 1.

with both sides' cards fairly and squarely on the table, the real bone of contention in the future could be the amendment of the general plan relating to surface disturbance areas and the removal of natural resources.

Vimy project

Continued from page 1.

the MD of Westlock, Mr. Ernie Jamison, MLA for St. Albert, and Mr. Jim Henderson, interested citizen from Vimy. The team was very impressed with the success of this system, both financially and functionally.

The people were once again encouraged, this time by Mr. Ernie Jamison, to go ahead and put a system in Vimy. Through further meetings with the MD of Westlock and Ernie Jamison, we were advised that it would be to our advantage of form our own Utilities Co-op before proceeding with the project. Five members formed the first board of directors: Jim Henderson, Jack Burns, Leo Provencal, Roland Limoges and Donna Bombersback. The residents of the hamlet were in complete support of this project and expressed their desire for the directors in the Co-op to proceed. In order to get a better knowledge of the system, Ewert Harder, Utilities officer from Westlock, Jim Henderson, and Ken McAmmond attended a two

day seminar, arranged by the Saskatchewan government, in North Battleford.

After this, with government approval, in July, 1974, we arranged financial assistance through the MD of Westlock and construction began, as soon as the blue prints were made, late in September. The trenching contract was given to Chuck's Ditching Ltd., of Fawcett. Winter delayed construction until May of 1975, and the first hook-up, Jim Henderson's, was made on June 5. By mid-July, the system was in complete operation, and working very successfully.

An annual meeting was held on July 29 at which time the residents expressed a desire to own and operate the system through their Utilities Co-op. It was decided that each homeowner would pay cash for the construction and maintenance of the system.

Vimy is very proud of its completed project and they hope that other small communities will now follow their lead in improving the rural areas of Alberta.

WALK ON WATER? YES, YOU CAN!

What you need is a pair of water shoes invented and patented by H. W. Harradine of Windsor (Canadian Patent 961,063). The water shoes are two pontoons similar in shape to conventional water skis. They are equipped with flexible stabilizing fins which fold against the body of the pontoons when they are moved forward in the water and open up when reversed. Anyone for a race?

WATCH PAPER FOR FURTHER ANNOUNCEMENTS

Hear ye! Hear ye! The circus is coming to town

The St. Albert Minor Football Association is sponsoring the first visit of a tent circus to St. Albert and the lady in the picture above is only one of the many attractions being brought by Wallace and Rogers.

Methu began her life in the Portland Zoo. She was the second elephant to be born in captivity there, thus her name Methu or Me-two as it is pronounced. The gentleman, who conducts the breeding program at the zoo, soon recognized her potential. He purchased her from

the zoo, and started her on the extremely slow process of training. Slow, because it takes a long time for an elephant to trust her trainer enough to do anything he says. After all if you weighed 3,000 pounds, would you put all of your weight on to one foot, when four feet feel so nice and secure on the ground?

By the time Methu was five years old, she had learned quite a number of tricks. At this time the owners of Wallace and Rogers Circus recognizing

her talent asked if they could use her in the show. Thus a star was born!

Methu has been performing with the circus for the last two years to thousands of children throughout the country. She even got as far north as Alaska this year, though she wasn't sure if she liked the boat rides up there or not. She will be coming to St. Albert on Thursday and Friday, August 14 and 15 and will be performing her tricks during the 3 and 7 p.m. performances on both days under a blue and white big top in Lions Park.

Advance tickets are on sale at the St. Albert Sportshop on Perron Street and at Hutchings Shoes and Ozzie's Cycle and Sportshop in Grandin Shoppers Mall. The price is \$1.25 for children from 2 - 12 years and \$2.50 for all the other "kids" (young and old) of 13 years

METHU THE PERFORMING elephant will highlight the first ever visit of a circus to St. Albert, August 14 and 15. Roll up to the Big Top folks.

and over. Be sure and get your tickets early.

Tickets (if there are any

left) can also be purchased at the gate at \$1.50 for the

younger, and \$2.75 for the older kids.

Borle- Benko wedding

St. Albert Roman Catholic Church was the scene of a charming wedding recently when Loren Borle of St. Albert married Kim Benko also of St. Albert. The Rev. U. Duchesneau officiated.

The bride is the daughter of Mr. and Mrs. Andrew Benko of St. Albert. The groom is the son of Mrs. Gladys Borle also of St. Albert.

Given in marriage by her father the bride wore a floor length gown of jersey with a train and mandarin collar trimmed with seed pearls and a headpiece brimmed with white daisies and pearls. She carried a bouquet of yellow and white daisies.

Karen Anderson was maid of honour. Bridesmaids were her sister Lynda Benko and Cindy Suvan. They wore floor length gowns of pale apple green. The attendants wore yellow and white daisies as headpieces and carried a single large white chrysanthemum.

Attending the groom were George Bergevin, his brother Ryan and cousin Kenneth

Borle.

Guests were ushered by Cess Touw and Thomas Benko. Wedding music was played by Blaine Beisigle. Songs were sung by Diane Sheehan and June Borle.

For her daughter's wedding Mrs. Benko greeted guests in a long white and floral gown and wore a corsage of red and white roses. The groom's mother chose

an orange floral gown. Her corsage was orange roses.

A supper was held at the Community Hall. The master of ceremonies was Dennis Bourgeois. Mr. Bud Anderson proposed the toast to the bride and George Bergevin made the toast to the bridesmaids.

Mr. and Mrs. Loren Borle have taken up residence in Edmonton.

30 year resident finds new home

Over the past few days, many friends in St. Albert have been bidding their farewells to a long-time resident of our town. At the end of July, Francois Girard will make his new home in Falher, Alberta.

Francois Xavier Girard was born in Quebec in 1909. With his parents and 12 brothers and sisters, he moved west in 1928, settling in the Peace River district.

After the death of his father, Francois carried on farming and a few other jobs. He recalls making 50 cents a day for thrashing and other

farm chores.

Francois married the former Julie Hachey in 1942, the following year he was blessed with an only child, Norman, who resides in Edmonton.

In 1945, the family took up residence in St. Albert, where Francois joined the staff of the Bruin Inn. From 1953-'74, he carried on a 21 year span of employment for the Town of St. Albert.

All his friends wish to extend to him their best wishes for a long and happy new life at the Villa Beausejour Senior Citizens Home in Falher, Alberta.

Summer reading club at library

The St. Albert Public Library's popular Summer Reading Club is underway again. All boys and girls in the area are invited to join the club for the summer and participate in this year's Summer Circus. For every book read the member adds that title to his or her own reading poster. When 10 books have been read then the poster is decorated and put up in the library.

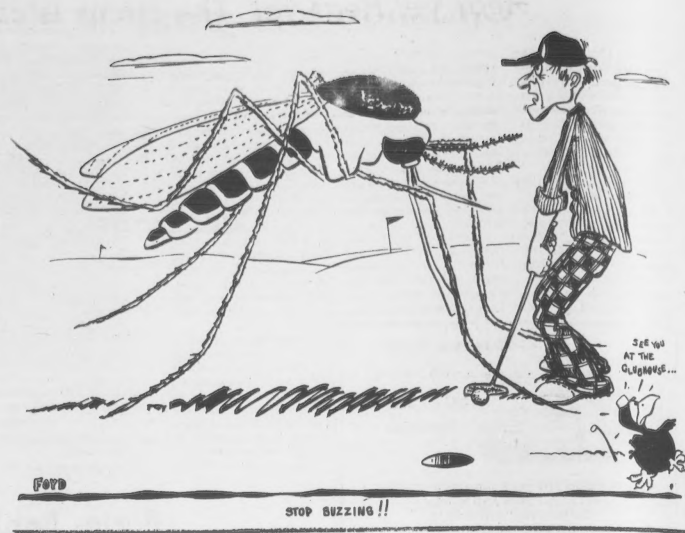

Books may be borrowed at any time during the library's regular hours: Monday thru Friday 10 to 8; Saturday 10 to 2. Reporting on books read

may be done between 1 and 3 p.m. daily. At the conclusion of the summer members are invited to a costume party where awards are presented to everyone.

Of course, membership in the St. Albert Public Library is free to all and children of all ages are cordially invited to join the Summer Reading Club anytime.

SUMMER STORYHOUR

The St. Albert Public Library is continuing its popular storyhour for preschoolers all summer at the

Library. The weekly hour of stories, games, and songs is held every Tuesday morning from 10 to 11 in the library annex. Children of all ages are welcome during the summer months and no registration is required. The library's zany cast of puppets will be making their weekly appearance as well. Tuesday mornings are FUN at the St. Albert Public Library!

Unfit
is
blah.

Finest. In your heart you know it's right.

Town Engineer Mr. Jan Maandag, reports that the town has awarded the contract for the "missing link" in the pavement on Mission Avenue to Standard General Construction and work is proceeding for paving this section of the street. No firm date is available for completion of the work but Mr. Maandag feels that it should be accessible within the next three weeks. Construction may be going on in the area for a while with paving and the installation of a water line adjacent to the roadway [constructed by Three Star Plumbing]. The majority of the work could be completed in about one month - weather permitting.

This interesting photo, just recently come to light, has something to say about volunteer effort. Without such workers the combined Creative Schools and St. Albert Arts and Crafts Centre would never have been built in 1968. Can anybody name the four fellows? [That looks quite a lot like Councillor Barry Breadner up on the ladder].

Christian folk group to visit St. Albert

Twelve Christian young people, members of the folk musical group "Emmaus Road" will be visiting St. Albert next week. Under the auspices of Braeside Presbyterian Church the group will be giving public presentations in various areas of the town during their five day stay here.

Composed of talented young people from Nova Scotia to British Columbia the "Emmaus Road" group is on a cross-Canada tour. Sponsored by the Presbyterian Church in Canada, the

purpose of the group is to share a living faith in Jesus Christ as Saviour and Lord.

Besides an extensive repertoire of popular folk and modern gospel music, members of the "Emmaus Road" team will be expressing the joy and meaningfulness of Christian faith in brief words of personal witness, by short drama presentations and through opportunities of conversation. The style of the group is such that it will be enjoyed by people of all ages and persuasions but it will be especially appealing to

young people who are expecting to get the most out of life.

The name of the group, "Emmaus Road" has a special significance. It is taken from the Gospel of St. Luke's account of the first Easter Day. On that day the risen Christ appeared to two

men as they travelled on the road to a town near Jerusalem called Emmaus. At first they did not know Him but later realized that He was the crucified Jesus now risen from the grave. That Emmaus road encounter was an occasion of deep spiritual insight.

During their visit to St. Albert members of the group will be billeted in homes in the community. They will be appearing at Lions Park, Grandin Shoppers Mall and the lawn of Braeside Presbyterian, corner of Sir Winston Churchill Avenue and Bishop

Street, throughout their stay. A cordial welcome is extended to all residents to come and hear "Emmaus Road." Further information concerning the time of the presentations may be obtained by calling the Braeside Manse at 459-8568.

Canadians in planning for "Habitats"

OTTAWA - The dates for a series of 30 meetings to enable Canadians to participate in the planning for Habitat, next year's United Nations Conference on Human Settlements in Vancouver, were announced last week by Urban Affairs Minister Barney Danson.

The Conference will draw together delegates from some 140 U.N. member countries to join in a commitment to improve the quality of their human settlements and exchange information on solutions to settlement problems.

The meetings - 14 of them called symposia, the other 16 public meetings -- will be held across Canada starting September 9 and ending November 29 to enable individuals and groups to get involved by giving their views and hearing those of specialists on settlement

problems. The Edmonton meeting is slated for October 8.

A Canadian National Committee comprising 16 Canadians will hear briefs presented at the 16 public meetings. Represented on the Committee is the Archbishop of Edmonton, J. N. MacNeil.

Groups and individuals are invited to present briefs to the Committee on topics they feel should be discussed at the Vancouver Conference. The briefs should be submitted well in advance of the public meetings to: The Canadian Participation Secretariat, Ministry of State for Urban Affairs, Ottawa K1A 0P6.

Those presenting briefs will be asked to provide verbal summaries to the Committee members and may face queries from them when a public meeting is held in their area.

Visitors from Bahamas

Don and Doris Roulstone at 16 Bellevue Crescent, St. Albert had a visitor from a far flung place this week. Visiting them was their niece Susan Roulstone, a speech therapist from Nassau, the Bahamas. She's just completed one year in a three year contract helping children with speech difficulties in that part of the world. She didn't make her first visit to Edmonton and St. Albert direct but took a long swing up here via the Eastern Seaboard of the States going across that country after a visit to Montreal. She'll be leaving St. Albert August 10 after seeing the sights going on to relatives in Surrey, B.C. Susan's parents are still living in England in Werr-

ington, Northants, near Peterborough.

NOTICE OF PUBLIC HEARING

Please be advised that the Council of the Town of St. Albert proposes to pass Bylaw No. 23/75 being a bylaw to rezone the portion of S.W. 2-54-25-W4th and S.E. 3-54-25-W4th as shown on the attached map from Agricultural (A) to Residential Multiple Family (R3) and (r3A) and Commercial Neighbourhood (C2).

The proposed Bylaw No. 23/75 may be examined between the hours of 9 a.m. to 4:30 p.m. weekdays at the Office of the Municipal Secretary in the Town Hall, St. Albert.

A public hearing on the proposed bylaw will be held in the Council Chambers, Town Hall Annex on Monday, August 18, 1975 at 8:25 p.m.

Written representations concerning the manner in which any provision of the proposed bylaw may affect him will be received by the Municipal Secretary until 12 noon on Friday, August 15, 1975. Persons wishing to make oral representation may do so by appearing at the public hearing.

Robert L. Byron,
Municipal Secretary.

Pennant Race in NCA League

By Paul Rlopet
With the League Championship Series only a few weeks away, the race for the Molson Cup rages on in the North Central Alberta Baseball League. The Molson Cup, awarded to the baseball club with the best win-loss record during regular season play was first won last season by the Morinville Manufacturers. The recipient of the Molson Cup will once again be hosting the League Championship Series scheduled for Sunday, August 24.

The fiery battle for first place has been heightened of late due to a late season resurgence by the Linaria Flyers. The Flyers, who have been hitting the ball more consistently, have received some fine pitching from Sid Schooler. However, a lack of pitching depth on the Flyer team will certainly place a lot of pressure on Linaria's offense.

Meanwhile, Bon Accord, last season's League Champions, have been playing consistently well and seem to

be intent on keeping up the pace. Led by strong performances from their catcher, Hugh Allen, and a balanced pitching attack from individuals such as Dale Lewis, Brian Irmen, Myles Langier and company, Bon Accord is presently in the lead. But barely! The Red Lions from Westlock have a game in hand and are only trailing Bon Accord by one point in the standings. While the Red Lions have been plagued with a few poor performances in the latter half of the season, they have also been capable of a number of impressive victories, including recent wins of 9-5 against the Linaria Flyers and of 7-4 against the Bon Accord Club. Bob Oko, Dwaine Jolliffe and Dwayne Bulkoway have been stalwarts for the Red Lions in their respective positions.

The Manufacturers, suffering from the doldrums, have not really shown signs of regaining that early season momentum which saw them leading the League at mid-season. Even with

occasional outstanding performances from their outfield, led by their fleet-footed centre fielder, Ed St. Laurent, the Morinville Club has been struggling to remain within striking distance of the pennant. The possibility of another pennant for Morinville still exists, as the Manufacturers, with 18 points, have yet to play four games, two more than Bon Accord and one more than Westlock. Players like McGillis and Tourangeau must begin to hit more consistently if Morinville's pennant hopes are to be kept alive.

It has been a disappointing season for two clubs, the Vimy Blues and the Rochester Lions. The Blues were simply unable to come up big in certain key games recently, losing to Legal Pontiacs and Rochester Lions. Their hopes of making the playoffs are thus mathematically slim.

The Lions, last season's cinderella team, have found the competition fierce this season, but improvements have been made particularly with the addition of Gory Huklak, a fine pitcher. Youthfulness and a strong desire to excel will certainly mean continued competitiveness from Rochester. If one considers the improved play in the NCA League this season, then the Legal Pontiacs deserve full credit for already doubling their point total from last season. Continued persistence could eventually spell success for Bob Chauvet, coach, and players such as Darcy Brisson who was second in the League's MVP standings at mid-season.

All in all the 1975 baseball season has been an exciting one and the rivalries promise to continue right to the very end.

Sturgeon Swingers

All plans have been finalized for the Marg Ward Tournament which is being held today and tomorrow at the Sturgeon Club. Seventy lady golfers are participating in this event, 12

ladies from Sturgeon.

On July 25 Sandra Strand scored a 98 and Anne Frechette scored a 96 on July 29. These women will receive break 100 pins. Our membership stands at 56.

Number needed for hockey registration

All boys and girls wishing to play St. Albert Minor Hockey this coming season will be required to have their social insurance numbers as well as their birth certificates.

Forms for your social insurance number can be obtained at the local post office.

The minor-hockey league caters for age groups 10 - 18 boys and girls.

Western Canada Summer Games

Over 400 Alberta athletes and coaches will be taking part in competition at the Western Canada Summer Games in Regina, August 10 - 17.

Athletes from the four western provinces will compete in events such as archery, basketball, boxing, canoeing, cycling, diving, equestrian, fencing, field hockey, gymnastics, handball, judo, modern pentathlon, rowing, shooting, soccer, swimming, track and field, volleyball, water polo, weight lifting, wrestling and yachting.

The purpose of the Games will be to provide competition for young athletes, on

Olympic calibre. The general purpose will include developing better athletes, promote community interest, and to make people aware of the need for sport competitions. The Games will offer a high calibre of competition essential to encourage excellence in sport, as many of the Olympic sport activities are not represented in Western Canada.

For more information contact Danny Woyltyk or Terry Bangen, Alberta Recreation, Parks and Wildlife, Sports and Fitness Branch, 14th Floor CN Tower, Edmonton (427-2015).

Fishing vacationers will find changes in catch limits

Vacationers fishing in western national parks this year will find changes in catch limits and open season schedules.

Possession limits on all trout and char species have been reduced to five from 10 to provide more visitors with the opportunity to catch the fish. Possession limit on a combination of species of fish is 10.

Lakes containing spring-spawning fish opened July 1 and will close October 31. Lakes containing fall-spawning fish opened in May and

will close Labour Day.

National Park visitors planning to fish must have a parks permit available in the park which is valid in all of Canada's national parks.

Open season schedules for national park waters are as follows:

Banff: Bow River from Bow Lake outlet to east park boundary open April 1 to March 31; Minnewanka, Johnson, Ghost, Two Jack, Copper, Kingfisher, and the Three Vermillion Lakes and Pilot Pond open Victoria Day to Labour Day; all other

waters open July 1 to October 31. Closed waters are Forty Mile Creek in the vicinity of the townsite water intake, Agnes Lake, the part of Marvel Lake within the log-jam, and Marvel Creek.

Jasper: Athabasca, Sunwapta, Maligne, Snaring, and Miette Rivers and Talbot Lake open April 1 to March 31; Beaver, Buck, Christine, Lower Colefair, Dragon, Little Honeymoon, Maligne, Long Lorraine, Marjorie, Medicine, Mile 9, Mile 14, Mile 16½, Moab, Mona, No Name, Osprey, Princess,

Pyramid, Skyline, Virl, First Trefoil, and High Lakes, Ranger Creek and Rocky River open Victoria Day to Labour Day; Lake Annette open Victoria Day to October 31; all other waters open July 1 to October 31. Closed waters are Cabin Lake and stream emptying into Cabin Lake.

Waterton Lakes: The Dandelles, Knights and Mask-

inonge Lakes and Waterton River open April 1 to March 31; Waterton, Crandell, and Cameron Lakes and Creek open Victoria Day to Labour Day, all other waters open July 1 to October 31. Closed waters are Buffalo Lake and all waters within Buffalo Paddock.

Kootenay: Kootenay and Vermilion Rivers open April 1 to March 31; Cobb and

Kaufman Lakes open Victoria Day to Labour Day; all other waters open July 1 to October 31.

Yoho: Kicking-Horse River between Yoho River and west park boundary open April 1 to March 31; McArthur, Ottertail, Sink, Summit and Wapta Lakes open Victoria Day to Labour Day; all other waters open July 1 to October 31.

Glacier and Mount Revelstoke: All waters open July 1 to October 31.

Town of St. Albert

PUBLIC NOTICE

[Section 311 of The Municipal Government Act]

TAKE NOTICE that the Council of the Town of St. Albert, in the Province of Alberta, has given first reading to money Bylaw No. 17/75 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the cost of constructing a building to be used for municipal purposes within its municipal limits.

The estimated total cost of the aforesaid project amounts to \$295,000.00. After deducting from this cost the amount of nil, to be received by way of grants/contributions/revenue funds/donations, etc., the net amount to be borrowed on the credit and security of the municipality at large by the issue of debentures is \$295,000.00. The debentures are to be repayable to the bearer in twenty-five (25) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than twelve per centum (12%) per annum.

NOTICE THEREFORE is hereby given by the Council of the Town of St. Albert that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said Bylaw and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

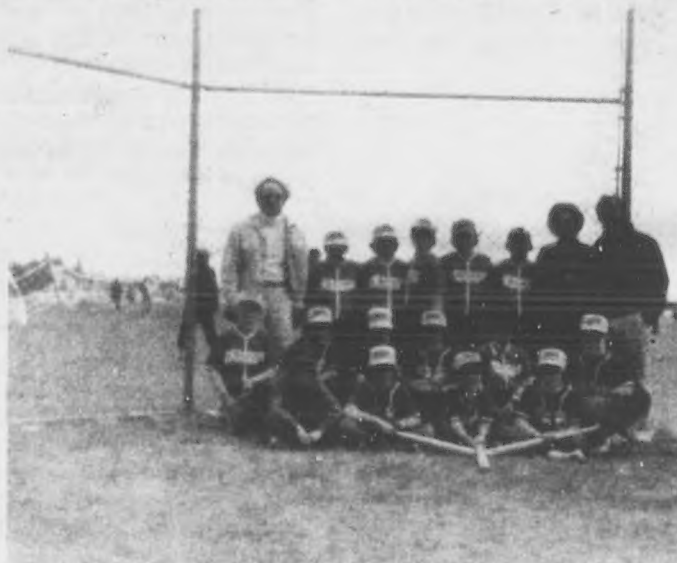

NOTICE TO PROPRIETARY ELECTORS

A proprietary elector is -

- a person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and
- a person who is liable for the payment of a mobile unit licence.

Five per cent (5%) of the proprietary electors may by petition request a vote on a money bylaw under the provisions of Sections 311 and 7 of The Municipal Government Act.

- The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.
- Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.
- There shall be set out opposite each signature on the petition -
 - the legal description of the property or other qualifications entitling that person to be a proprietary elector,
 - the postal address of the petitioner,
 - the occupation of the petitioner.
- A corporation or a church or other religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or a church or other religious organization or an estate.
- The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.
- Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.
- No name shall be removed from the petition after it has been received by the municipal secretary.
- If two or more money bylaws are advertised in a single notice, a separate petition shall be filed with respect to each bylaw.
- The date of the last publication of this Notice is **August 13, 1975.**

THE ST. ALBERT MOSQUITO team (above) competed in the Northern Alberta finals last weekend with the Belvedere team (Edmonton) emerging as the winner. With the team are co-coaches Pat Lockert, Marg Campbell and Lowell Thronsdon.

AROUND TOWN

The Meals-on-Wheels group have arranged for 10 meals to be served every Wednesday at the Senior Citizens Centre. This new service was introduced on Wednesday, July 30. A full compliment of seniors were on hand to enjoy a delicious meal. Various types of entertainment have been planned to follow the meals. Senior Citizens interested in taking advantage of the fine program may phone Mrs. Szuba at 459-8809 or Mrs. Belley at 459-6524.

Trustees of the District #3 School Board held a brief meeting on Tuesday, July 29. They approved in principle a sketch plan for the new Lacombe Park Community Core School. Mr. T. Baldwin informed the board that the

Vincent J. Maloney Junior High School in Braeside will be ready for occupancy at the beginning of the 1975-76 school year commencing Sept. 2nd.

TOWN OF ST. ALBERT

Notice of Public Hearing

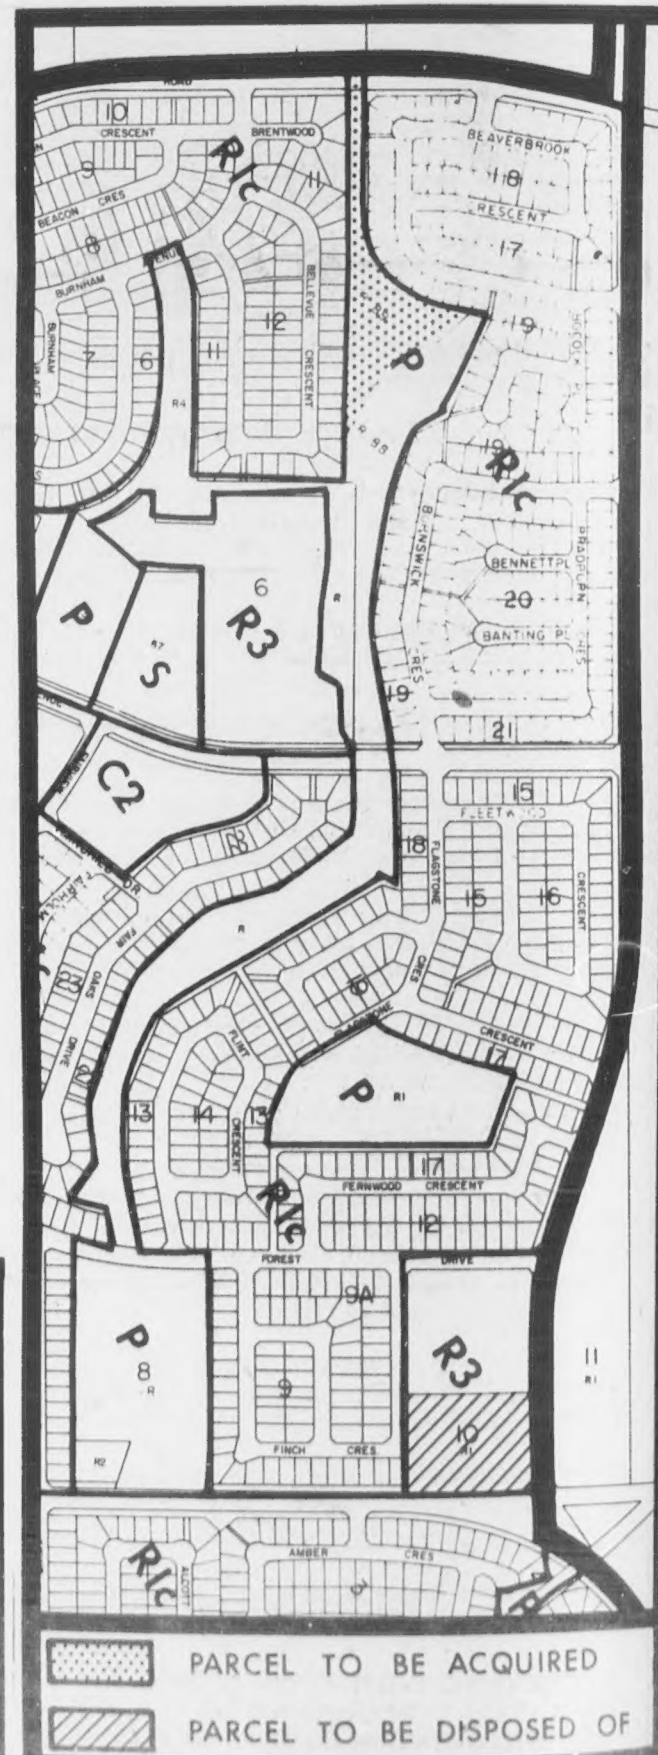

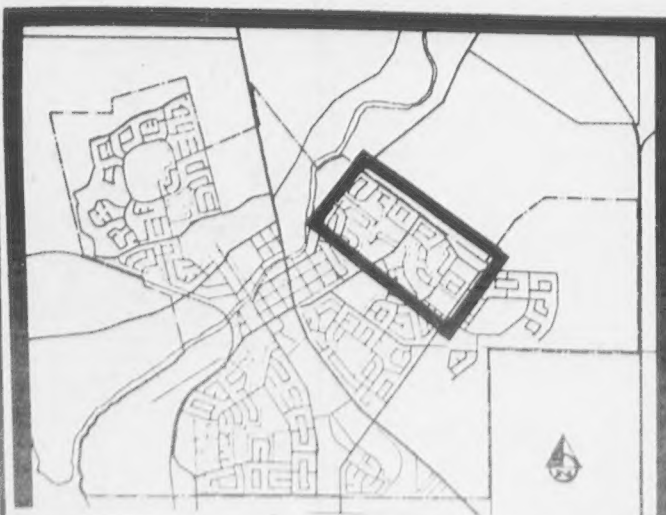

The Council for the Town of St. Albert passed the following resolution at a Council meeting held July 21, 1975:

That the Council for the Town of St. Albert apply to the Provincial Planning Board for an order to exchange the Public Reserve Lot 1-R, Block 10, Plan 4476 R.S. in the east portion of Forest Lawn for Public Reserve Lot R-95 as shown on subdivision plan 73-SA-3 prepared by Strong Lamb & Nelson Ltd. 1973 as Part of River Lots 46 east of Braeside and that a public hearing on the disposal of Public Reserve Lot 1-R, Block 10, Plan 4476 R.S. be held at 7:45 p.m., Monday, August 18, 1975, in the Council Chambers in the Town Hall Annex.

Reasons for the application are to comply with a previous commitment which saw public reserve land owing from east Braeside which had not been subdivided at the time, temporarily dedicated as part of west Braeside and Forest Lawn subdivisions. When east Braeside was subdivided, a permanent public reserve was dedicated in that neighbourhood. Abutting property owners were previously advised concerning these actions by letters dated November 13 and November 14, 1973. A public hearing was held November 26, 1973 and subsequently a Provincial Planning Board Order was issued approving the exchange. As the order has lapsed, it is necessary to re-advertise.

Any person who is the registered owner of land abutting or adjoining the reserve parcel or residents who claim to be affected by the proposed disposition of the reserve may submit written objections to the resolution to the undersigned prior to Friday, August 15, 1975. Persons wishing to make oral representation may do so by appearing at the public hearing.

ROBERT L. BYRON,
MUNICIPAL SECRETARY.

Great Canadian Oil Sands remains Canada's oil sands pioneer. But doing something no one else has done before has meant the solution of an enormous number of complex mining and engineering problems. Making the sands productive is a tough, expensive job. Here is a brief description of just what it takes.

First we mine the oil sand:

Before mining, however, vast amounts of overburden must be removed. First, this means clearing trees and brush and digging ditches to allow the muskeg to drain. But even after drainage periods of two years or more muskeg is still water saturated and can only be excavated when frozen solid. With the muskeg cleared away, the remainder of the overburden is excavated. In all, it takes four years of preparation before we can begin to actually mine the oil sand in any given area. With the oil sand face ready, the bucket wheels go to work. Weighing 1,800 tons each, they cut a continuous swath as wide as a hockey rink and up to 70 feet high into the exposed sand.

Mining the exposed oil sand is a big job, requiring careful planning and massive machinery, for oil sand is a tenacious opponent. Naturally adhesive and abrasive and susceptible to weather changes, it can stop our powerful mining equipment in its tracks.

Miles of conveyor belts moving at 12 mph carry the sand into the nearby extraction plant.

Next we steam it:

In your kitchen, hot water and an electric mixer might do the job. At GCOS, however, the recipe for maximum bitumen recovery calls for steam, water and sodium hydroxide, all mixed with oil sand in huge, revolving drums at 80° Celsius (180°F.). Heat and movement in these drums break the bitumen's 120 million year hold on the sand. And the resulting slurry is pumped to large separation vats where bitumen floats to the top and is skimmed for upgrading. The heavier sand sinks and is pumped along with clays and silts in suspension to an outdoor system of dykes where it is impounded.

Then we upgrade the bitumen:

After cleaning by dilution and centrifuging, bitumen is sent through a processing operation geared specifically to Great Canadian requirements.

First, it is introduced into a coking drum where it is thermally broken into light hydrocarbons and heavy residue. This residue or coke is later used as fuel for the GCOS power plant while the freed hydrocarbons go on to a fractionating tower. In the tower, hydrocarbons are separated into three basic components: (1) naphtha for gasoline; (2) kerosene for jet fuels; and (3) gas oil for heating or diesel fuels.

Once separated, the three liquid components are treated to remove sulphur and trace metals and are stored on site . . . in the ratios in which they are produced. Later they are recombined to form 'synthetic crude' and sent through the 266-mile long GCOS pipeline to Edmonton.

More than ten years ago, the people at Great Canadian Oil Sands made a commitment to oil sands development.

With the backing of Sun Oil in the solution of enormous problems, GCOS has made good on that commitment. Today, we produce 50,000 barrels per day. We work hard doing it and we're proud to be a part of Alberta's energy business.

MORINVILLE MEMOS

By Marg Bantz

The Farmer's Market is still going strong. Sellers are welcome to bring anything they wish to sell. Don't forget to come on down to the arena at 10 a.m. on Saturdays and join in on the buying and the selling.

On July 27, Anne Kryskow Betty Carlson and Roy Manasterki returned home for a school reunion of Narrow Lake School District,

County of Athabasca.

A Youth Employment Service office recently opened in Morinville. The co-ordinator is Rene Beland. Rene urges all those townspeople and farmers needing help this summer to visit him at the Sturgeon Regional Recreation office or to phone 1-939-4317 or 1-939-4318. He'll be awaiting your calls from 9 - 12 and 1 - 4

weekdays.

Sunday afternoon August 3, there was standing room only for the capacity crowd, who watched Morinville edge the All-stars 4-3, while mounted on donkeys in a hard fought game of football(7). Judging by the laughter which erupted from the stands throughout the game, Donkey-Ball was a sizzling success in Morinville

The antics of man and beast was something which will not soon be forgotten by any who witnessed it. The ball game was capped off with a special Donkey race that saw players race from home plate a foot to deep centrefield where they selected a donkey and then rode back to home plate. A big thank you to participating players and supporting fans from the organizers of the Donkey Ball

game.

The Seniors play tonight, Wednesday, August 6 at 7 p.m., against Westlock at home in a make-up game. Last Thursday (July 31), Morinville lost 15-4 to Vimy at home in regular league play. Next Saturday, they will face Linaia at 11 a.m., at the Alexander tournament.

A familiar face has been seen around town lately. Gene and Madelain Scantland and their four boys have returned to Morinville after having been away eight years. Gene, who has been secretary for St. Albert Lions Club Breakfast, plans to transfer to Morinville Lions Club in the spring. The Scantlands are very happy to be back, and Gene who is employed with National Life Assurance Company plans to be very active in the

community. Welcome back folks!

Guy and Cheri Meunier returned home recently from their honeymoon to the West Coast. The couple are residing with Guy's brother Norm and his wife Francis until their new home is completed.

On Sunday, August 3 at 2 p.m., Raymond and Helen Sabourin had their baby girl baptized Colette Rita. Attending the ceremony were Godparents Mr. and Mrs. Robert Parent and proud grandparents Mr. and Mrs. A. Sabourin and Mr. and Mrs. L. Bergevin.

Readers co-operation in telephoning or bringing in news items is much appreciated, and as early in the week as possible. Please phone 939-4145, or drop off at 9901 - 99 Avenue, Morinville.

The dollars and sense of farm machinery management

Costs are the key to the profit-making equation of farm machinery. Farm machinery can be either a sound investment or a heavy expense, depending upon the care that is given to its selection and its use.

Ron Woolf, Alberta Agriculture's farm management counsellor at Olds, reports a recent study conducted by the farm management branch in the Olds area showed that machinery ownership and operating expenses accounted for 20 to 25 per cent of the total costs of all expenses incurred. "With current credit charges, soaring replacement costs and the rapid outdating of design it is not surprising that interest and depreciation account for about two-thirds of total machinery costs," he says. Since the capital tied up in farm machinery often represents 20 per cent or more of the total farm business investment, con-

trolling machinery costs can be a very profitable venture.

Farm machinery decisions hinge around such things as whether to buy or to hire, whether to buy a new or a used machine, whether to replace a piece of equipment now or later, and whether to invest more money in machinery to facilitate a quicker job or to invest less money and keep costs at a minimum.

To make a sound decision it is necessary to have a clear

picture of the costs and advantages associated with each alternative. Mr. Woolf says Alberta Agriculture has available a set of worksheets which show step by step the main costs involved in owning and operating farm machinery.

There are also computerized machinery planning programs which analyze and report up to 16 different cost components associated with machinery buying, hiring, and replacement decisions.

The information, based on the individual's specific situation, is reported back quickly and accurately through regional terminal links with the computer.

Further information on these planning aids can be obtained from your district agriculturist or from Alberta Agriculture's farm management branch exhibition at Progressive Farming Days, scheduled to take place at Olds College from June 24 to 26 inclusive.

New Legal Reporter

By Sharon Rempel
Please let me introduce myself. My name is Sharon Rempel (better known as the "Ding Dong Lady" - courtesy of Rodney St. Martin). In case most of you are wondering I am also the Avon Representative for the

village - alas I have been given the above nick name. My husband and I with our two lively children reside on the south end of town. We have been residents now for three years and have been made to feel very much at home.

Now permit me to give Lucienne Montpetit a big Thank You, for so unselfishly given her time and effort reporting to the Gazette. With your co-operation and her own desire to give you the news of the village, I think we should all join in and express our gratitude. She's a great lady, and friend, and her services should not go unheeded.

Since this is your column I would ask for all the co-operation you can give me in reporting items of interest to everyone. Births, weddings, deaths, charitable bake sales and bazaars as well as club and church meetings.

They involve everyone, so let's all get involved. All news items should be given to me before the Sunday of publication. I can be reached only at these hours: 9 a.m. to 11 a.m. and 5 p.m. to 7 p.m. My number is 961-3996.

Don and Darlene Witter have moved into their new home in the southwest section of town. After living on the north end for 10 years they really find it a new experience owning their first new home. Good luck Don and Darlene.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Leonard Boisvert are happy to announce the arrival of their son Lennie Raoul, born on July 14th weighing 7 lbs. A brother for Leslie and Lonnice.

CROP INSURANCE NOTICE FALL RYE

DEADLINE AUGUST 31, 1975

Farmers wishing to insure fall rye under the "All-Risk" Crop Insurance program in 1976 are advised they must declare their intention not later than August 31, 1975. Unless elected by that date, fall rye cannot be insured next year.

Contact your nearest District Office of the Corporation to complete your election and for full information on coverage levels and premium rates.

Ask about the "spot-loss" provision covering winter-kill in fall seeded rye.

Culture grant of \$5,000 for Legal festival announced

By Lucienne Montpetit

At last year's Fete au Village luncheon the Hon. Horst Schmid announced that his department would provide a grant of \$5,000 for the summer festival if the village would be interested in making their project focus on French Canadian heritage and culture.

The members of Fete au Village accepted and were excited about the possi-

lities. The committee started things rolling and started by dedicating the Fete au Village 1975 to Mr. Georges Bugnet. The village of Legal deemed it appropriate to recognize the contributions made by one of its pioneers in two notable fields of human endeavour.

This pioneer has received international recognition as an amateur horticulturist. He

is an honorary member of the Western Canadian Society of Horticulture.

His original homestead near Rich Valley has been named the Bugnet Plantation Historical Site by the Government of Alberta. The Government of Finance honoured him in 1970. He received a literary award for two books about Western Canada. "Nypsia" and "La

Foret."

Mr. Bugnet's name has appeared in the Larousse world encyclopedia since 1968. He has lived in the Legal district for 21 years and in Alberta since 1906.

At 96 years old Mr. Bugnet's mind is still very alert. He is a resident of the Chateau Sturgeon.

At the Civic luncheon held after the Fete au Village

parade - master of ceremonies Roland Prefontaine welcomed everyone and said it was a pleasure for him to introduce the guests especially Mr. Georges Bugnet to whom the festivities were dedicated.

Roland proceeded in introducing Hon. Horst Schmid Minister of Youth and Culture, Mayor Joe Nault and Mrs. Nault, MLA Ernie Jamison and Mrs. Jamison, Reeve Bill Flynn and Mrs. Flynn, Mayor Art Stapleton from Morinville, Mayor Loblock from Gibbons and Mrs. Loblock, Dr. MacDonald and Mrs. MacDonald, Maitre Herve Durocher, President Provincial de l'A.C.F.A. and Mme Durocher, Mr. and Mme Germain Fortier, Vimy President regional de l'A.C.F.A., Mlle Fete au Village 1974 - Marie St. Martin, Father Alfred Houde, Mrs. Marthe Beauchamp (Mr. Bugnet's daughter), Father Edward Kennedy - alderman from the City of Edmonton, Mlle Christiane Durand - Mlle Cabane a Sucre 1972, Mr. Andre Deschene, Mr. and Mme Raymond Albert, President de l'A.C.F.A. pour la region de St. Paul, Corp. H. Lamb, Const. J. W. Warren and Const. R. Gillis, Jos and Louise Slobogean, entertainer; Raymond and Dolores Brisson, entertainer; Five candidates - Ferne and Walter Van de Walle, Marcel

Dube, president of the Rec. Board and Councillor and Mrs. Dube, Esther Tieulie and Mickey Stapleton chapcronees in charge of the candidates, Councillors Gerry St. Jean and Mrs. St. Jean, Roland Prefontaine and Mrs. Prefontaine, Arthur Morin and Mrs. Morin; Mrs. Agnes Montpetit, secretary of the Village and Mr. Maurice Montpetit; Lucien and Lucienne Montpetit.

Roland then called upon Marcel Dube who read an address bringing out the highlights in Mr. Bugnet's life. He also presented him with an engraved scroll on behalf of the Village of Legal.

Mr. Bugnet stood up and replied: I want to thank the Rec. Board and the Village for dedicating this wonderful celebration in my honour, I have had many honours in my life but to me this is the most touching and appreciated one.

Hon. Horst Schmid, Ernie Jamison MLA, Deputy Mayor Art Morin and Mr. Durocher spoke briefly. They encouraged the committee to continue in the promotion of the French Canadian culture.

Mrs. Louise Slobogean entertained with a number of appropriate bilingual selections. Dolores Brisson accompanied her on the guitar.

All present enjoyed the warm hospitality and excellent luncheon.

Legal poncho riders hold gymkhana

The annual Fete au Village Legal Poncho Riders Gymkhana was held Saturday and Sunday, July 26 and 27 with great success. Fifty riders from central and north-western Alberta attended.

Top riders and horses were in attendance, competition was very keen for all events. The normal run of events such as poles, stakes, flags,

barrels and keyhole were run with novelty events in rescue, balloon and adult keyhole grudge match, \$1 entry winner take all, Leo Bergevin and Bill Stapleton were first out with Bill riding Leo, not a horse, they didn't make the keyhole but everyone had a good laugh.

The bath tub race was not run, but the Big Horn Saddle

Club from Hinton saw to it that everyone had a bath in the horse trough.

The standings for the weekend were:

The Saddle was won by Lyle Pembrum with 797 points.

Hard Luck Trophy - by Orvin Abbott (low point).

Sportsman of the Weekend by Barbie Shank (horse blanket).

Poles - Men: 1st - Jules Lamoureux; 2nd - Richard Lamoureux; 3rd - Micky Mauldoon; 4th - Alfred Pembrum.

Pretty summer wedding solemnized

By Lucienne Montpetit

A pretty summer wedding was solemnized in St. Basil's Ukrainian Catholic Church in Edmonton when Jeannette Zilinski exchanged marriage vows with Rick Radcliffe. Father Zajac performed the double ring ceremony for the daughter of Mr. and Mrs. John Zilinski from Legal, and the son of Mr. and Mrs. Ray Radcliffe from Peers, Alberta.

Coming down the aisle with her father the bride was beautiful in a white gown of sheer over satin featuring a

detachable train edged with lace. Her dainty bodice was trimmed with lace and tiny pearls, plisse lace edged her V neckline and sheer sleeves.

Lace applied to her A-line skirt. A delicate beaded lace crown held her elbow length veil. She carried a bouquet of white carnations and tiny blue roses with lilies of the valley. Her jewellery was a fine gold pendant accented by a tiny pearl, with matching earrings and a gold watch, gift from the groom.

Attending the bride were Laurel Minich, friend of the bride, Carol Zilinski, sister and Gailene Radcliffe, sister of the groom. Sonia and Leslie Zilinski were flower girls (bride's sisters). The girls wore identical blue fortrel halter gowns complimented by light blue fortrel capes with white flowers. Their only jewellery was a dainty gold chained necklace with white sapphire stones, a gift from the bride and

groom.

The bridesmaids bouquets were nosegays with white carnations and tiny blue roses accented with blue ribbons. The flower girls carried baskets of white carnations and blue roses with blue ribbons dangling down the front of their baskets.

Best men were Rodney Osipow (groom's cousin), Wade Hink (friend), Dennis Zilinski, bride's brother. Page boys were Shane Radcliffe, groom's youngest brother and Theodore Zilinski bride's youngest brother.

The bestmen and page boys were handsome in their white tuxedo's with black collar and black pants complimented by blue shirts and a blue carnation boutonniere.

The groom wore an all white tuxedo trimmed in black with matching white shirt. His boutonniere was a white carnation and a blue rose.

Following the ceremony a

banquet was held at the Thorhild Community Hall for some 500 guests. Tom Shelton (uncle of the groom) acted as master of ceremonies for the occasion. The toast to the bride was presented by Mike Doblanko (uncle of the bride).

Mr. Zilinski and Mr. Radcliffe welcomed the people and thanked them for attending and joining them in celebrating their children's wedding.

Mrs. Zilinski received her guests in a blue fortrel gown and blue crotched jacket ensemble with white accessories and red roses en corsage. Mrs. Radcliffe chose a light coral fortrel gown with lace sleeves, black accessories and yellow roses en corsage.

Out of town guests came from Blairmore, Hinton, Edson, Wandering River, Calgary, Peers and the surrounding district. Jeannette and Rick are making their home in Edmonton.

JEANNETTE ZILINSKI and her groom Rick Radcliffe make a pretty pair after their marriage in Edmonton recently.

Former Calahoo resident passes away

Funeral services for Tristian Theodore Nyhus, age 40 years, late of Hardy, Saskatchewan, who passed away recently from injuries received from a car accident were held at St. Joseph's Roman Catholic Church at Ceylon, Saskatchewan, with Father A. Schmitz officiating. Prayers were said Wednesday, June 4 at 7:30 p.m. at St. Joseph's Church.

Mr. Nyhus was born October 15, 1934 at Hardy, Sask. He received his education at Hardy School and Ceylon High School. Following his schooling he moved to Edmonton and was employed by Guthrie and McLaren Drilling Co., for eight years, then returned to Hardy and joined his brother Tyrus in farming and ranching.

He was united in marriage to Margaret Vollmer of Calahoo on May 21, 1963 in St. Catherine's Church, Calahoo. Mr. Nyhus was active in community affairs being an executive for minor sports, coached minor hockey and enjoyed curling.

Predeceased by his parents Ben and Grace Nyhus he leaves to mourn his loss his wife Margaret, two sons Perry and Bradley both at home, one brother Tyrus of Hardy, one sister Mrs. Donna Turnbull of Fort St.

John, B.C. His mother-in-law, Mrs. Mary Vollmer, St. Albert, brother-in-law and family Frank Vollmer, Morinville; two sisters-in-law and families - Mrs. Alice (Martin) Evaniew and Mrs. Joyce (Gilbert) Borle of St. Albert.

Pallbearers were Gordon Bergstreiser, Frank Pflanzner, David McCutcheon, Neil Fox, James Madigan and Douglas McLeod.

The sympathy of the whole district is extended to his bereaved family.

BON ACCORD 4H BEEF CLUB

Bon Accord 4H Beef Club Achievement Day was held at the Sales Pavilion in Edmonton last month.

The 4H members took their calves to Edmonton in the morning, got them washed and groomed and were ready for judging at 2 p.m.

The judge for the day was Mr. Lorne. He picked Marsha Rigney's calf as a champion and Craig Ozipko's calf as Reserve Champion.

The showmanship and grooming judges were Mr. J. Milligan and Mr. Hugh Rigney.

First place in showmanship went to Marsha Rigney,

2nd to Rick Kreway.

The grooming went to - 1st Rick Kreway, 2nd Marsha Rigney.

The Northern Regional 4H Beef show and sale was also held last month. After judging all the calves, championship ribbon was given to Marsha Rigney of Bon Accord. Reserve Champion went to Louise Marcotte of Ardrossan.

The calf sale was held in the evening at the Sales Pavilion. The auctioneers were Wendy Sekura and Don Hutton. The Champion calf of Marsha Rigney's sold for \$1.95, the reserve grand champion went for \$1.05.

Office rent dispute

No definite decision was reached recently between the Sturgeon School Division and the MD of Sturgeon over the transference of the Cunningham School and the rental of school division office space in the MD's building in Morinville.

Delegates from the school division and council discussed the matter at the regular meeting of council and it seems that the MD will accept an offer made by the school division to rent office space for \$21,000 over the next period including the operation of a computer.

There still seems some dispute over transferring the Cunningham School to the MD for a dollar although council has assured the School Division that the school would be available for residents' recreation. The MD has also repeated that it will be prepared to kick in a contribution for the site of the proposed Namoo High School.

The division, while at the meeting, asked the MD to consider a swimming pool for the new high school as well as public library facilities for the Sturgeon area which would be adjacent to the new school.

A definite decision about the Cunningham school and the office rental rate for the school division will likely come up at the July 29 executive committee meeting of the MD.

Champion Judging: won by Karen Crozier, halter donated by Welsh's Edmonton. Champion Showmanship: won by Karen Crozier, cooler donated by Master Feeds; Reserve Showmanship - won by Margaret Forest; Hi point performance won by Lanny Robertson, halter by Master Feeds; Hi point of the day Championship won by Brian Pearce; Reserve Hi Point - Margaret Forest.

Our judge Jay McLean was an excellent judge and spoke to everyone after every class, we wish to thank her for her help and judging. Also Mrs. Marilyn Stanton our hard working ringmaster. Mrs. Wilson for heading our booth and all the people that helped her, our parents. Also thanks to Mr. and Mrs. Jack Capstick for announcing and keeping our score.

We have a very important meeting this August 13, 1975 at the Hub. All parents please attend.

VIMY NEWS

By Darlene Provencal

Leo and Sylvia Fortier, along with Clem and Gloria Fagnan, motored to Calgary last weekend to attend the wedding of Donald L'Heureux, formerly of Vimy. They report a wonderful time.

Congratulations to Miss Lucille DeChamplain who won the honours of being Miss Fete au Village 1975 at Legal's annual event. She was crowned Saturday evening after winning over four other contestants.

Joe Bilodeau Jr. was happy to be the winner of the "Greasy Pig" contest at Legal's Fete au Village last weekend. It's not too hard to describe what he looked like after the contest was over.

Fern and Cora DeChamplain were deeply touched by the thoughtfulness of the Legal Senior Baseball team when they presented them with a glass frame containing their late son, Paul's baseball uniform, his glove, a picture, plus a very touching homily that was read aloud by Mr. Walter Van de Walle to the huge crowd assembled around the ball diamond. A moment of silence was also given, in respect, for the former ball player who played on the Legal team.

The Vimy Blues Baseball Club were quite ecstatic last Sunday evening when they won the Fete au Village annual tournament. They met their first opposition, Bon Accord, at noon on

Saturday and won that game by a score of 3-1. Dennis Lopez was the winning pitcher. The semi finals on Sunday had them fighting hard against Lamont and after 12 good innings of ball, Vimy edged them by a score of 7-6. Roger St. Arnaud pitched the entire game. The finals at 6 p.m. was another thrilling nine innings of ball with Vimy winning 8-7

against Morinville. Peter Provencal and Yvon Bilodeau pitched for this game. This now makes it the second year in a row for Vimy to take the Legal tournament. Congratulations.

Visiting with the Bob Burns family from Fort Simpson were friends, Vic and Ruth St. Louis and family, and Ruth's sister, Patsy.

Vimy Co-op meeting

By Darlene Provencal

The annual Vimy Utilities Co-op meeting was held this week at the Community Hall. A majority of the townspersons were present. The Co-op board member, plus Mr. Ewert Harder, from the Westlock MD, and Leon Riopel, councillor, opened the meeting. Mrs. Donna Bombersback read the minutes of the last meeting, followed by an open discussion on the financial statement of our sewer project. Mr. Jim Henderson then gave an explanation on the election system for the Co-op. As he was the first person nominated last year, his term of office had terminated. Ewert Harder called for nominations from the floor and the response was unanimous that Jim Henderson return as chairman for a three year term. Following this, the citizens were given the choice of having the MD take over the ownership and control of the system for the next 25 years or paying cash now and maintaining our present Utilities Co-op. The people chose to remain as a Co-op and operate our own system at a considerable savings.

Mr. Alex Waters from the Dept. of Environment of the Provincial Government was

in Vimy this week looking things over and he has given us the 100% seal of approval. Mr. Harder also gave a word of praise on our system.

The Co-op then presented to Jim Henderson, on behalf of the Vimy residents, a token of appreciation for all the time and effort he has spent in making this project such a success.

Mr. and Mrs. Jim Henderson wish to thank everyone for this gesture and said they'd certainly enjoy the barbecue and croquet set.

Jim and Barbara Henderson were presented with a barbecue and croquet set in appreciation for the many hours of meetings and work they did in getting Vimy's new sewer system underway.

Gibbons

By Jean Archer

Girl Guides from Gibbons, Smoky Lake and Andrew joined together for a fun camp held at Hamore Lake, July 25 to 27. Guides attending were Debby Williams, Sandra and Lynn Archer, Darryle and Joy Scha-

ffer, Heather Hood, Jo-Ann Christie, Lori Briggs, Lynne Morin, Delilah Wingfield, Leaders Shirley Maseur, Evelyn Fraser and Jean Archer. Lots of swimming under the luscious shade of the highlights plus combined campfires and wieners roast.

The annual general meeting of the Sturgeon River Agricultural Society will be held on Wednesday, August 13, at 8 p.m., in the mezzanine of the Gibbons Arena. This meeting is open to the general public. New memberships are available and old memberships will be renewed before the meeting starts. Included in the agenda will be a synopsis of Agricultural Society activities for the past year and a general outlook for the coming year. Please come, and bring a friend!

Report From Parliament Hill

By Stan Schellenberger MP

The recent issue of PLO attendance at a U.N. crime and violence conference in Toronto has escalated into an emotionally charged confrontation. The hassle began with an invitation from Ontario, five years ago, to the United Nations to hold their fifth Congress on Crime Prevention in Toronto in September 1975. Subsequently, the Palestine Liberation Organization was granted observer status by a vote of 95 to 17 (with 19 abstentions) at the U.N. General Assembly last November 22. Canada voted against the resolution but the majority made the decision final. Hence the PLO is entitled to send observers to all U.N. conferences.

Lately, however, the federal government came under enormous pressure from Canadian Jewish organizations not to admit Palestinian terrorists and from Arab organizations threatening economic boycott if the PLO were denied Canadian entry. In the end, the government avoided making any absolute, definitive decision. Instead External Affairs Secretary Allan MacEachen merely requested a postponement of the conference to some later date not this year. Mr. MacEachen said that when the "later date" comes, members of the PLO,

other than known terrorists, will be admitted to Canada.

This issue is an extremely subjective one and people are free to either condemn or condone the government's stand. Certainly its decision made some points with pressure groups who did not want the PLO here in Canada. But it has been suggested that the question is not really whether Canada tolerates the PLO. As a terrorist movement that gains its ends by hideous crimes the PLO is morally intolerable. (We all remember the Munich Olympics massacre among other atrocities, a massacre perpetrated by Black September, an underground arm of a major branch of the PLO). It is a loose federation of several guerilla movements committed to destroying Israel by military and political means. It has claimed responsibility for many terrorist raids including the recent bombing in Jerusalem in which 13 people were killed. Surely few people, if any, can be sympathetic to its aims and methods of operation.

Yet, however vile the tactics of the PLO may be, many individuals maintain that although Canada did not agree to giving the PLO observer status at the U.N., it must now accept the decision of the majority and

therefore not bar the members of the terror organization from entry to this country. Canada invited the U.N. to hold this conference here, recognizing the U.S.'s right to make its own guest list.

Canada certainly should not repudiate the U.N., an international organization that was founded 30 years ago to promote worldwide peace and diplomacy. True, in more recent years, the U.N. General Assembly, once a forum for debate, has seemingly become an arena of intolerance and non-compromise, but is it not reasonable to say that our only hope for world peace and co-operation lies in our unwavering faith in this international body?

In the Canadian Government's 1970 review of foreign policy, when many of the U.N. failings were already becoming apparent, Canada made this pledge: "The two great functions of the United Nations - to keep the peace and to improve the conditions of life on earth - call for a newly effective and rejuvenated United Nations structure. Together with other nations, Canada will continue to work toward this end." The need for rejuvenation is more clear than

ever now, as is the preservation of our only world body, however inadequate it may presently seem.

We now know that the U.N. has rejected the Canadian request for a postponement of the controversial crime conference and has decided to stage the meeting instead of either Geneva or Vienna. There have as yet been no serious repercussions stemming from the Canadian decision. In fact, Canada's great dedication to the peacekeeping forces has been highly praised recently in spite of all events.

We should not lose sight of the reason for the postponement request. It was felt that the crime conference, given the current international political climate, would not prove successful. Inevitably too many unrelated political considerations would enter into the proceedings. The re-escalation of violence in the Middle East would undoubtedly spread its bitterness into Canada and subsequently into the conference itself. This intrusion of the Middle East conflict might well distort and undermine the purpose for which the meeting was originally called - to develop

and promote international co-operation in the field of law and public order. The government felt that all our efforts should be directed toward the reduction of tension in the Middle East. Canada was not to shirk her responsibilities but, through new initiatives, seek to improve the political situation both in the Middle East and in the U.N. itself.

This whole situation may prove to be somewhat ironic. Canada has unequivocally stated its intended resistance to any attempt to exclude Israel from the U.N. Yet this very week, leaders of the 46-nation Organization of African Unity are expected to approve an Egyptian resolution calling for U.N. suspension of Israel. Israel

has threatened that, upon its suspension from the organization, it will oust U.N. peacekeeping forces from the Middle East ceasefire lines. To go one step further, Henry Kissinger has said that if Israel's membership is revoked by the U.N., the U.S. will leave the world organization. In speculation, such a move could result in the ultimate demise of the United Nations.

Thus, it may be that Canada's decision to postpone the U.N. Congress on Crime Prevention in favour of seeking measures to rapidly better the present unstable international political situation could be almost insignificant in the face of greater overshadowing events.
